

Matiz

Matiz is a furniture brand rooted in Mediterranean inspiration and handcrafted in Indonesia. We combine refined design, expert craftsmanship and the natural beauty of solid teak to create furniture that brings warmth, authenticity and timeless character to modern living.

From our own factory in Central Java, we work with brands, retailers and distributors worldwide, delivering high-quality indoor and outdoor furniture built to last.

With extensive experience in new and reclaimed teak, advanced production capabilities and a deep commitment to people and nature, we turn ideas into furniture made for generations.
